VLC Media Player (cnet - Free Download)

VLC Media Player is a long-time open-source favorite, and the latest version is also the first to be out of beta development. It's not the only option for free video playback, but it's one of the best, and the feature updates in version 1 make it well worth the upgrade. ... Users can now get frame-by-frame advancement, granular speed controls allowing for on-the-fly slower or faster playback, and live recording of streaming video. The toolbars are fully customizable, so you can have only the buttons you need in the interface, there's AirTunes streaming, and there's better integration in Gtk environments. Along with the improvements, VLC continues to offer robust support for a wide range of video and audio formats, including OGG, MP2, MP3, MP4, DivX, HD codecs like AES3, Raw Dirac, and even support for playing back zipped files. The default interface is still a stripped down player that belies VLC's functionality and features. Skinning can fix that quickly, but behavior can still be a bit unpredictable depending on the quality of the skin. VLC's open-source foundation and community ensures that it evolves quickly and often, with new features and fixes released frequently. Overall, VLC Media Player is a must-have application for its ability to open just about any type of video file you throw at it.

How Good is Good Enough? (YouTube)

This is the Christian message of how sinful man is graciously and mercifully reconciled to God. How well does this line up with the messages presented last weekend at the LDS General Conference? -- "From now on, therefore, we regard no one according to the flesh. Even though we once regarded Christ [in person] according to the flesh, we regard Him thus no longer. Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. All this is from God, who through Christ reconciled us to Himself and gave us the ministry of reconciliation; that is, in Christ God was reconciling the world to Himself, not counting their trespasses against them, and entrusting to us the message of reconciliation. Therefore, we are ambassadors for Christ, God making His appeal through us. We implore you on behalf of Christ, be reconciled to God. For our sake He made Him to be [our] sin who knew no sin, so that in Him we might become the righteousness of God." 2 Corinthians 5:16-21

WHAT WE believe determines how we live. Do you know why you or your church does what it does? Keith Giles joins us to discuss his new book, *This is My Body: Ekklesia as God Intended*, which exposes the difference between church as we know it and ekklesia the way God meant it to be. Then we're joined by Doug Harris, host of *Simply the Truth on Revelation TV*. He talks about Reachout Trust, his ministry to those in cults, the occult, and the New Age. Littleshots Productions: Presents Two animations of Jack Chick's popular tract stories 'The Sissy' & 'Tiny Shoes' • ON ONE DVD! (\$4.95) {Scroll Down} (On-line View)

Four years ago, Steve West called Chick Publications with an idea, and a vision. He asked for permission to make video animations of Chick tracts, using software currently available. His vision was to deliver these gospel messages to a generation that is reading less and less. He hoped to have them translated and make something that would help missionaries spread the Gospel. We gave him permission, and he formed Littleshots Productions and produced videos from two of Jack Chick's stories, "The Sissy" and "Tiny Shoes." ... You can show them to your Sunday School class, youth group, or even your church. Then discuss the message of the story and lead people to Christ. Also, if you purchase a copy, you are free to make as many copies as you wish for your own use. You can give them away like a tract, too.

George Müller (1805-1898) was a German playboy who found Christ and gave his life to serve Christ unreservedly. His mission was to rescue orphans from the wretched street life that enslaved so many children in England during the time of Charles Dickens and Oliver Twist. Müller did rescue, care for, feed, and educate such children by the thousands. The costs were enormous for such a great work. Yet, amazingly, he never asked anyone for money. Instead he prayed, and his children never missed a meal. This docu-drama presents his life story and shows how God answered prayer and met their needs. It is a story that raises foundational questions regarding faith and finances. Also included are two special documentaries on Müller and some of the lives affected by his work.

From the Emmy Award-winning Bible series featuring the critically acclaimed movies Abraham, Joseph and Moses comes an all-new production starring Richard Harris as John the Apostle in The Apocalypse. The year is 90 A.D. and the Roman Emperor has unleashed a virulent campaign against the Christians. Held captive by the Romans, the aged apostle John (Richard Harris) struggles to save Christianity from extinction by sending letters to the Christian communities. Driven by the wish to meet the last living witness of the Lord's passion, the young Christian Irene (Victoria Belvedere) succeeds in gaining access to John's prison. Entrusting the written record of his visions to her, he begs Irene to spread its message among the Christians. These visions form the contents of the Book of Revelation. To some, they evoke the end of the world; to others, they allude to the spiritual struggles facing Christians of all eras.

It expresses itself in ways that are essentially Gnostic. The American church has not been immune to the influence of this American Gnosticism. Hilarious!! False Prophet Post of the Day! - Todd Bentley - Is Emma the Angel Branham's "Jesus" [what about Maroni, does Emma know Maroni?] (YouTube)

"they took a picture of it in the science world..." ROFLMAO!

Branham Vs Todd Bentley (YouTube)

Hear William Branham share his thoughts on the Trinity. {Hint! [Branham] thinks it's from the Devil so then he thinks it is the Devil that is proclaiming Jesus to be God (Trinity view) while Branham then thinks the Holy Spirit is busy demoting Jesus and then exalting man to equality with Jesus -- or is it that Satan the Devil is busy exalting man while it is the Holy Spirit who is exalting the (Trinity) Truth of Jesus. I'm going to go with the Holy Spirit (Trinity) view that Jesus is God along with the Father and the Holy Spirit and that man is a sinner along with Satan and the other fallen angels.}

Bob Jones Talks About "Fire" in Longview, WA - "Christians are going to get themselves clean (false works gospel) so they can come before the Father" - Oh, his 'preaching' was so hot that fire trucks showed up to put out the fire - Yeah, he's a credible one - NOT! {Note: This Bob Jones heretic [Kansas City false prophets] is no relationship to any of the Bob Jones heretics of [BJU]. They are each their own heretical false teaching self, espousing to the public their own personal flavor of false doctrine and false teachings and are not to be confused with each other as I have just done even though I knew they were not the same person [KC Bob Jones and BJU Bob Jones II], but they seem to have been under the same false spirit and I do issue my apology for confusing the two people.} (YouTube)

Comment: bob seems very satisfied with himself. ... Worship God in the Spirit according to the Holy Spirit inspired [in us - through the Bible], not the proven false prophet Bob Jones. ... He needs to repent of his false prophesies and come clean.

Bob Jones (fake Kansas City prophet - no relation to Bob Jones of Bob Jones University): 3 ft angel [demonic - Erma - Emma-O] encounter - [while in his own living room during a (self-induced?) New Age-NWO trance] - Erma feeding her leavened bread to women of the Church - {Note: Bob Jones might have viewed women as three feet tall figures but Jesus Christ and true Judeo-Christianity esteems, exalts and honors women and motherhood far beyond any religion, institution or culture of the world.} (YouTube)

EMMA-O, The [Buddhist] god of the underworld. He lives in the Yellow Springs under the earth in a huge castle all covered in silver and gold, rosy pearls and other jewels. Thus, he, (she) appears in these Charismatic meetings, he brings gold dust, silver, rosy pearls and other jewels to steal the souls of the deluded Christians.

WARNING! Monica Dennington [started her ministry while in Kansas City] of "Tic Toc Ministries" - She is a false teacher who says the Holy

Spirit is a woman! {Note: both Beth Moore and Nancy Leigh DeMoss (sister of Mark DeMoss) have also gone down this same path where they started out apparently teaching sound doctrine but are now also teaching more of a New Age Contemplative and cult (LDS) friendly message. Also Note: in 2007 the Nancy Leigh DeMoss Ministry (Revive Our Hearts - Women's Ministry) suddenly received a "matchable donation" (of between \$10,000-\$25,000) from an "unnamable" [LDS?] source while at the same time her brother Mark DeMoss was employed by the Mitt Romney campaign. Presumably the donation was payment to Nancy so she would not speak out about or against the LDS cult - something that since 2007 Nancy has rarely if ever done.} (YouTube Video)

I'm shocked also. Jesus always was. He was not created [by sex between Father God and a female Holy Spirit]. A body of flesh was created for him through God and Mary but Jesus always was. This is so basic. I'm really surprized at Monica's twist on such a simple concept. This is bad news. Her previous teachings that I have heard seemed to be spot on.

Todd Bently, Deceiving angel began his [revival] ministry [in Florida] (YouTube)

Comments: Does this man know how to read?? Is he capable of reading the Bible? I never see him read or quote the Bible. Strange, really strange. He is great at kicking, punching, closelining, and well assaulting people. No wonder our planet is doomed! ... WOW. LOL This is a joke right? This guy is just another dood who decided to become a false preacher cuz you can make a lot of money quick. Read the Bible people, dont listen to idiots like Todd, he just wants your money.

Todd Bentley - Emma The Angel - [Todd Bentley is] "Lyin' to My Face" (YouTube)

Comments: I am so tired of all of the false prophets and garbage being preached to so many gullable people. It is sickening. My own family has been affected by many of these false teachers and they call themselves christians. Where is their discernment??? I do not understand WHY sooo many people fall for this stuff??? Incredible!!

Who is Emma-O? - as followed by Bob Jones and Todd Bentley (YouTube)

Comments: God Bless You for exposing the truth... we must all worship Jesus Christ... not some "angel" a false prophet reveals to people... pray for the people who follow Todd Bently and Emma-O...

!!!Two Excellent Videos by Aaron Shafovaloff - Mormon Coffee: More Reasons Why The [LDS-Mormon] Royal Line of Sinless Saviors Just Doesn't Add Up [Only two royal sinless saviors, God the Father and Jesus from Celestial family 'A' - but millions of Mormon Celestial gods from Adam family 'x', why could the supposed Mormon family of Jesus only produce two gods [Jesus and the Father] worthy of the devotion and worship of others while the human Mormon family of Adam has produces millions of gods supposedly worthy of the devotion, (tithes) and worship of others] - *Was Heavenly [LDS] Mother Once Perhaps a Sinner? (YouTube)

The whole of Mormon Theology begins to unravel. If God was a sinless Savior like Jesus, then how was He tested by the flesh so that He could earn His own godhood and be exalted? Was he special somehow? And if we are to become gods just like he did then why aren't we all sinless Saviors too? What about the Holy Ghost? How did He become a God without a physical body and being tried by it? What's up with that? Is He special too? What about Jesus? How come it's possible for him to become a God without ever having fallen into sin like us and needing to be redeemed? It seems to me that if being a sinner or being sinless is optional then there is no need for this probationary period and the trials of the flesh. Why should we have to endure the trials of the flesh in order to become a God if this is optional. It seems to me that if we were to become Gods as they became Gods, then we wouldn't have had the fall in the Garden of Eden. We would have all remained sinless and become sinless Gods as God the Father did and as Jesus did.

Cowboys and Angels (2000) - Written and Directed by Gregory C. Haynes - [warning - skip the DVD previews] (Movie - DVD)

User Comments: What a nice surprise to see Mia Kirshner in a movie where she doesn't take off her clothes or kiss other girls or look anorexic... I think Mia is an amazing actress, and I was surprised by this movie. It's one of those that you see in the video store and say, "I've never heard of that - wonder if it would be worth my time." It's certainly not the best movie I've ever seen, but it was refreshing to watch a love story where the characters didn't have to have sex on their first date to know they were compatible. I liked the story. The angel bit was a little strange, but who hasn't wondered if there are angels among us? This was my introduction to Adam Trese, and I found his character likable and believable. I was annoyed with Radha Mitchell. She kept getting in the way. I suppose she was included so that the movie would be called more than just "Cowboys." Because that might be lame. Anyway, a refreshing change from what Hollywood believes love is all about. Three cheers for Greg Haynes for tackling this project.

The International (2009) - They control your money They control your government They control your life And everybody pays (Movie - DVD)

Trivia: The film was inspired by the BCCI, or Bank of Credit & Commerce International, banking scandal, which took place throughout the 80s and into the early 90s. After badly received previews, the film was pushed back from

its August 2008 release date to February 2009 to allow re-shoots to turn it into more of an action film - only for the film to be released in the middle of the worst banking crisis in U.S. history.

The Soloist (2009) - Life has a mind of its own - No one changes anything by playing it safe (Movie - DVD)

The film is based on a true story involving a top columnist at the LA Times, Steve Lopez, played with grace by Robert Downey Jr., who becomes invested in one of his more colourful subjects, Nathaniel Ayers, an accomplished musician overcome by mental illness, now living on the streets of LA portrayed by Jamie Foxx, who rambles his way to a convincing performance. The film is a satisfying adult drama that doesn't lose its direction. It doesn't pander to its audience. There is no random violence, no guns, but indeed simply good story telling with great characterizations. It's a decent film that deserves better treatment in the press. It has a noble heart that succeeds in telling a great human story. It resonates and strikes a chord.

How This Can Be The Finest Hour For the American Church By Brannon Howse {On the whole this is a very good message. America does need a "Finest Hour" from the Christian Church and these days could be it. -- The finest hour for any Church comes only through prayer, it comes through worship through faithfulness and it comes from the desire to intimately serve God and fellowship with God by individuals who no longer are satisfied with what man and this fallen world has to offer but instead have determined to seek the very face of God, the very presence of God in Jesus Christ in a personal one to one relationship with the Almighty God the creator of the universe.} (Online Video)

The True History of Atlantis [1960's dogma presented in a 1970's or early 80's film version] (Part 16 of 22) - Nazi, Occultist, New Agers - Attempting to Ascend to the 5th Dimension [the demonic dimension] {Biblically it seems that mankind (Adam, Eve) were originally created in the 6th dimension with the ability to visually see and interact with God, with Angels and even with animals-other parts of God's creation. After sin and the fall mankind and all of creation to some extent fell from a higher 6th dimension to the lower 4 dimensions [length, height, width, time]. The 6th dimension is still the Angelic dimension encompassing both the Holy Angels and the fallen unholy now Satanic Angels. The 5th dimension seems to be a dimension encompassing the demonic realm mostly comprised of demonic (demons) offspring (Nephalem) from the result of interbreeding between 6th dimensional fallen unholy angels and 4th dimensional (mostly female, [Genesis 6:2]

As we all know, Prodigals are a group of people who once walked with the Lord but have since walked away from Him and have totally hardened themselves to the things of God. You will not likely find them at a Christian gathering seeking after a "word from the Lord" or seeking to get their lives right with Him. In other words, you will not find them in church. So it is our job as Endtime Laborers to go out and seek after them. Be assured of this one thing - Jesus wants them back! This is the vision that the Lord Jesus gave to Pastor Steve. Movie: The Fog of War - Eleven Lessons from the Life of Robert S. McNamara - People who watch Errol Morris' Fog of War will be left with a lot to think about - what was intended to be a 20 minute interview

turned into a several hour candid conversation - we see that McNamara still doesn't accept much responsibility for what he did during the Vietnam War - He thinks of himself as just being an employee working for the president {This is an excellent interview DVD, it covers many topics and ideas about government and leadership, it is highly recommended viewing.} (DVD)

People who watch Errol Morris' Fog of War will be left with a lot to think about. There are a number of parallels to be drawn between what Americans faced during the Vietnam War era and what Americans face now with middle-east conflicts. Morris has directed several controversial documentaries, but Fog of War is very different. He allows the subject of the documentary, Robert McNamara, to remain the focus of the film from beginning to end. Fog of War is very stylish but the artistic features don't take away from the social and political commentary. Instead, they add to it and make the film more enjoyable. This is an important film and while McNamara deserves most the credit for its success, Morris presented the content of this film in a way that made it both provocative and entertaining. -- When Morris had an opportunity to interview Robert McNamara, he had no idea what was about to happen. Morris was making a film about Vietnam, not McNamara specifically. However, what was intended to be a 20 minute interview turned into a several hour candid conversation. This interview turned conversation became the backbone of Fog of War. It is obvious that something like guilt has been bugging McNamara and for whatever reason, Morris brought it out. ... Probably the most important moment of Fog of War is when McNamara talks about mankind and its inability to learn from history. He seems very pessimistic but has moments where he seems to think people can learn from the past. It's easy to think about Donald Rumsfeld and wonder what sort of conversations he might have with McNamara. Another great moment in Fog of War is when McNamara gets to meet a general from the Vietnamese army, one of McNamara's adversaries from 30 years ago. It's then where we see that McNamara still doesn't accept much responsibility for what he did during the Vietnam War. He thinks of himself as just being an employee working for the president. Fog of War makes people think about a lot, but that's because of Robert McNamara more than Errol Morris. This was McNamara's film and Morris just happened to hold the camera in place when he probably felt like cringing or even laughing at times. During his famous acceptance speech for Fog of War, which won an Academy Award for Best Documentary, Morris reminded the worldwide audience to be careful, because the United States seems to be making the same mistakes it made during the Vietnam War. That's up to the audience to decide, but Fog of War definitely makes everybody think about that.

Missing, Presumed Dead: The Search for America's [more than eight thousand unreturned] POWs - Award-winning documentary - MISSING, PRESUMED DEAD, unveils the mystery of why these POWs were abandoned, the likelihood some are still alive in North Korea and

Southeast Asia, and why our government doesn't want them back (DVD)

A POW/MIA of American POWs from the Korean War were abandoned in North Korea after hostilities ended in 1953. When it became apparent that repatriating these men would not be feasible, the U.S. government declared them, "missing, presumed dead." These missing servicemen were forgotten until POW/MIA activists forced the U.S. Senate Committee on Foreign Relations to form a POW/MIA select committee to investigate recent reports that POWs are still alive in Vietnam and North Korea and that the Pentagon has kept this secret from the public. MISSING, PRESUMED DEAD, unveils the mystery of why these POWs were abandoned, the likelihood some are still alive in North Korea and Southeast Asia, and why our government doesn't want them back.

Kiss the Boys Goodbye: How the United States Betrayed Its Own POWs in Vietnam - The bestselling expose of a major political scandal - The story of a five-year investigation by two award-winning journalists, Kiss the Boys Goodbye reveals heartbreaking evidence of POWs abandoned in Vietnam [WWII, Korea], of official obstruction and missing files, censored testimony and thinly veiled threats from government sources (Book)

Product Description: The bestselling expose of a major political scandal--in the tradition of All the President's Men and Spycatcher. The story of a five-year investigation by two award-winning journalists, Kiss the Boys Goodbye reveals heartbreaking evidence of POWs abandoned in Vietnam, of official obstruction and missing files, censored testimony and thinly veiled threats from government sources. -- Comments: This is a book that should make ordinary American citizens exceedingly sad and angry. Although some may argue that its message is old news, and certainly very dated information, the horror and outrage it should occasion is neither old nor dated. For what the authors contend, and go on to impressively prove, is that our national government deliberately and maliciously betrayed its own soldiers trapped as Prisoners Of War (POWs) in Vietnam, abandoning them in favor of a quick and otherwise painless exit from the war in Southeast Asia. This, as the authors argue, is a truly devastating indictment of the Nixon administration, and one for which they cannot be forgiven. However, it is more than that. It is also a bizarre story of men left behind for the sake of political expedience and due to a number of highly classified clandestine operations, which were purposely kept from the American people. The story line begins with the sad saga of a young ex-marine who escaped from Vietnam on the late 1970s and claimed to have seen a large number of fellow American servicemen still being held by the Vietnamese. However, he was quickly charged with desertion and collaboration with the enemy, in what seemed to be a desperate effort on the part of governmental officials to bury both him and his story of American prisoners as deeply as possible from public view. From here the plot takes a number of bizzare twists and turns. ... There are many of us who have long believed that Nixon and Kissinger made a pact with the devil himself in order to to extricate the United States fro the ongoing horror of Vietnam. What is truly mind-boggling is to discover just how right we were to suspect that they, and many others in the government since that time, would take such drastic action as they have to conceal these facts and to evade the truth. This is a worthwhile book, and one that demands to be read. I hope you can approach it with an open mind. Its arguments and the evidence associated with it are, in my opinion, very convincing. Enjoy!

Movie - The Body (2001) - An Israeli widow [and archeologist], Olivia Williams, uncovers a hidden tomb in Jerusalem, and there is some suggestion that it might be that of Christ - This causes a considerable stir in the Vatican because, after all, Christ's body shouldn't be there unless he was an ordinary man - So they send Father Antonio Banderas down there to investigate, telling him ahead of time, so that he doesn't misunderstand his mission, that "the body is not that of Christ" {This movie is really a must watch! It lays out many of the plots and intrigues that face Jerusalem and Christianity today. The move also points out the Christianity stands on the Resurrection of Jesus Christ! No resurrection, no Christian faith. Hint: For the record the bones are not the bones of Jesus Christ, He Resurrected.}

Well, an Israeli widow, Olivia Williams, uncovers a hidden tomb in Jerusalem, and there is some suggestion that it might be that of Christ. This causes a considerable stir in the Vatican because, after all, Christ's body shouldn't be there unless he was an ordinary man. So they send Father Antonio Banderas down there to investigate, telling him ahead of time, so that he doesn't misunderstand his mission, that "the body is not that of Christ." ... Banderas and Williams form at first a kind of mismatched cop/buddy team, he intense and inhibited, she breezily outgoing and scientific. But they soon run into trouble that pulls them together in their goals. I admit I didn't understand all of the reasons why so many groups wanted to interfere with the investigation or to exploit the find for political purposes. The first trouble they run into is an orthodox Jewish sect whose members bombard them with rocks and steal an important artifact. Then there is the leader of a Palestinian group, the PLO, I mean the FLP, or rather the PDQ. He wants his henchmen to get their hands on the bones. I forget why but I'm sure the purpose is nefarious. You can tell because he's got a face on him like the assassin in Hitchcock's "The Man Who Knew Too Much." And you can identify his thugs when you see them because they're all swarthier than everybody else. The head Israeli honcho in this business, Shrapnel, informs the Vatican that as soon as Jerusalem is recognized as the sole capital of a united country, the bones will be released. (I understood that.) This all leads to a final semi-violent confrontation between the PDQ leader and the priest, in which the latter is wounded and the former is blown to smithereens. Oh, that reminds me, there is some comic relief from a sloppy young Irish priest who is a computer hacker. The question of whose body it is, is resolved at the end, but nobody in the movie finds out about it, only the viewer. Father Banderas resigns his commission and decides to follow God in his own way. He writes a very nice letter to Williams, but the movie stops short of having them fall into each other's arms. Let's not disturb anybody by raising REAL problems. This isn't a puzzle that I find particularly interesting, although I don't know why. Religious belief leads so regularly to violence and intrigue. But I don't really think that if a body were positively identified as Christ's it would change things very much. Cognitive dissonance theory suggests that, if anything, it would strengthen our beliefs in some way. (Cf., "When Prophecy Fails.") The problem would at least be papered over somehow. I'm happy that I watched it, I suppose, if only because of Olivia Williams and Antonio Banderas, both of whom are worth watching, for somewhat different reasons, but in fact I did spend two hours following this complicated story and may just be reducing post-decision dissonance.

Jesus & the Shroud of Turin (DVD)

In 1898, Secondo Pia was the first man to photograph the Shroud of Turin, the burial cloth believed to have covered Christ's body after the Crucifixion. This video examines skepticism over the shroud's authenticity, debunking scientists who recently claimed that it could not be more than 600 years old. Yet, even now, as a new millennium dawns, scientists have found there is still much we don't know about this, the most celebrated and controversial artifact in the history of Christianity. If you are a cynic, this video will challenge your skepticism. If you already

believe, it will strengthen your faith. Approx. 60 minutes.

The [Mid-Tribulation] Rapture Truth {Note: The Basic Christian ministry strongly recommends that Christians study Bible prophecy and the End Time developments. The Bible is clear and accurate and through the Bible we can get ideas and glimpses of these coming future events however our understanding is clouded and incomplete simply because the events are in the future. The Basic Christian ministry holds the Pre-Tribulation Rapture view but recommends considering all End Time views. [The Pre-Tribulation Rapture view is that the Christian Church group is raptured into heaven prior to the End Time events of Revelation. In heaven the Church then participates in the Marriage Supper event while the End Time events of Revelation on earth pertain to two different groups known as the Martyred Saints of Revelation and the Jews.] } (Google Video - Download)

www.holybibleprophecy.org -- This film presents a biblical understanding of the Rapture of the church. In sum, this study will present and establish the following points of interest: 1. The angels will be sent to gather the elect (the Rapture) after the tribulation (Matthew 24:29; Mark 13:24-27). 2. The Rapture will occur on the Day of the Lord (Matthew 24:27-33; Mark 13:24-27; Luke 21:25-28; Joel 2:1-2,9-11; 3:13-16; Zephaniah 1:15-18). 3. The Rapture will be at His second coming, not before and not after (1 Corinthians 15:23). 4. The Rapture will occur at the last trumpet (1 Corinthians 15:52). 5. The last trumpet (the Rapture) will be on the Day of the Lord (Revelation 14:15-20). 6. The Christians alive and remaining on the Day of the Lord are those that will be caught up in the clouds (1 Thessalonians 4:13-17). 7. The Day of the Lord (the Rapture) cannot occur until after the man of sin is revealed (2 Thessalonians 2:1-3). 8. Antichrist is then given power to overcome the saints (Revelation 13:7). 9. The Rapture will occur at the resurrection (1 Thessalonians 4:16,17). 10. The resurrection (and the Rapture) will occur on the last day (John 6:54, 11:24). 11. The Rapture will not occur until the end of the harvest or the end of the world (Matthew 13:30-41).

Zeitgeist Refuted OLD VERSION (Google Video - Download)

www.holybibleprophecy.org -- Even secular scholars have rejected the idea of Christianity borrowing from the ancient mysteries. The well-respected Sir Edward Evans-Pritchard writes in Theories of Primitive Religion that "The evidence for this theory• is negligible." •The first real parallel of a dying and rising god does not appear until A.D. 150, more than a hundred years after the origin of Christianity. So if there was any influence of one on the other, it was the influence of the historical event of the New Testament [resurrection] on mythology, not the reverse. The only known account of a god surviving death that predates Christianity is the Egyptian cult god Osiris. In this myth, Osiris is cut into fourteen pieces, scattered around Egypt, then reassembled and brought back to life by the goddess Isis. However, Osiris does not actually come back to physical life but becomes a member of a shadowy underworld...This is far different than Jesus• resurrection account where he was the gloriously risen Prince of life who was seen by others on earth before his ascension into heaven." --Dr. Norman Geisler "Not one clear case of any alleged resurrection teaching appears in any pagan text before the late second century A.D., almost one hundred years after the New Testament was written." -- Dr. Gary Habermas This film refutes the following claims made in the film Zeitgeist: -Christianity was borrowed from pagan myths? -The Bible was plagiarized? -Jesus wasn't a historical figure? -Christianity was created for social control? -The Bible is based on astrology?

Israel acted on info they thought was valid because it was info from the LBJ administration. The Israelis' were told 100% proof positive that no American vessels were in the area. The Christiano Brothers - Christian Films - Their first theatrical film Time Changer released to Theaters in 2002 {Highly Recommended}

In 1977, twin brothers Dave and Rich Christiano left their hometown of Waterloo, New York and drove out to

Hollywood, California with high hopes and big dreams. Rich had written a high school script called The Valedictorian and was hoping this would lead to beginning a career in Hollywood. After negotiations with a few producers and one contract offer, Rich never signed and the movie was never produced. Then something happened that changed the whole direction of the Christiano Brothers' lives. ... Dave then shared his newfound faith with his brother Rich, who also began to search the Scriptures. As a result, Rich became a Christian some 14 months later. Both brothers then saw the need to make Christ the priority in life, and the important call to tell others about Him.

EndGameNow.com: They [Satanic New Age, NWO] are Misleading You - Why the direct attack on Christianity in Zeitgeist The Movie Part 1 - Dr. Norman Geisler writes, "The first real parallel of a dying and rising god does not appear until A.D. 150, more than a hundred years after the origin of Christianity" - Dr. Gary Habermas and Dr. J.P. Moreland write, "Not one clear case of any alleged resurrection teaching appears in any pagan text before the late second century A.D., almost one hundred years after the New Testament was written" (Online Video)

Why the direct attack on Christianity in Zeitgeist The Movie Part 1 (part one on religion)? It insinuates that the story of Jesus is merely a drop in the bucket of many saviors with the same story. That they were all born on Dec 25th, crucified, resurrected etc• I found it SHOCKING! Sooooo shocking that I spent a month and a half of my life researching the validity and sources of the claims and this is what I found. ... Dr. Norman Geisler writes, "The first real parallel of a dying and rising god does not appear until A.D. 150, more than a hundred years after the origin of Christianity." Dr. Gary Habermas and Dr. J.P. Moreland write, "Not one clear case of any alleged resurrection teaching appears in any pagan text before the late second century A.D., almost one hundred years after the New Testament was written." Charlie Campbell says, "To insist that Jesus Christ is a myth•that He never existed•as the Zeitgeist movie does, is foolish. Beside the twenty seven New Testament documents that verify He lived, there are thirty nine sources outside of the Bible, written within 150 years of Jesus life that mention Him. These sources include the Jewish Talmud, the Roman historian Tacitus, the Didache, Flavius Josephus, Pliny the Younger, Suetonius, the Gnostic gospels (e.g., the gospel of Thomas), etc. These extra-biblical sources reveal to us more than 100 facts about His life, teaching, death and even resurrection."

We all have a choice in how we get to meet God either at His standing (as a Priest to accept us as an acceptable offering through His cross unto Himself) or as a Judge without His cross to condemn us out of His presence. The Chick Tracts are very Biblical even in the minor details.} (.SWF - Flash)

A pastor who recently called us summed up the life and ministry of Jack Chick quite well. He said, "The thing I appreciate most about Jack Chick is that thirty years ago when I read my first Chick tract, it was a pure soul winning tract, presenting the gospel in a simple format that anyone could understand. Today, thirty years later, he hasn't changed a bit. While many other Christian leaders have left soul winning far behind, Jack Chick is still faithfully producing easy-to-understand soul winning gospel tracts with a salvation message that anyone can understand. He has never swerved or strayed from his calling to share the gospel with the lost multitudes around the world."

Let My People Read - Blog: 8.16.2008 Todd Bentley Update: Sad Sad News.... Why did so many people flock to Lakeland from around the world to rally behind an evangelist who had serious credibility issues from the beginning? - My question would be, "Did Charisma or anyone in the Charismatic world seriously raise questions about Bentley before this fiasco happened?" I'm sure THIS (Video) raises a few questions for people - More to the point, will we ever grow up? Grady continues:

More to the point, will we ever grow up? Grady continues: Many of us would rather watch a noisy demonstration of miracles, signs and wonders than have a quiet Bible study. Yet we are faced today with the sad reality that our untempered zeal is a sign of immaturity. Our adolescent craving for the wild and crazy makes us do stupid things. It's way past time for us to grow up. A prominent Pentecostal evangelist called me this week after Bentley's news hit the fan. He said to me: "I'm now convinced that a large segment of the charismatic church will follow the anti-Christ when he shows up because they have no discernment." Ouch. Hopefully we'll learn our lesson this time and apply the necessary caution when an imposter shows up." Ouch indeed. We MUST become a more discerning people. The only way that will happen is by reading our BIBLES! I may be charismatic and reformed, but I'm not gullible. Neither should you. In the next few days I will be exploring discernment and how you can spot danger in your church. On a final note, I want you all to understand that I make a distinction between the circus sideshow that is Lakeland and a genuine move of the Spirit. I do believe that the gifts are in effect today, and the Holy Spirit can manifest in amazing ways. Kind of like this (Video) watch it all, it's very moving.

You can watch the one-hour banned program here -- You can order a DVD of the one-hour TV special "Speechless...Silencing the Christians" and show it in your church. See for yourself and let your church members see the AFA special that the stations banned! Or, order all 14 of the original 22-minute episodes of "Speechless...Silencing the Christians" with a discussion guide, and show them in your church. Oddly enough, the TV special shows how the media censors Christians, which is exactly what these two stations did! They said the program was "controversial." The stations do not consider showing two lesbians or two homosexuals kissing or getting into bed with each other controversial. The stations do not consider all the profanity they air controversial. They regularly show network programs advocating the homosexual agenda, but those programs are not considered controversial. However, a special showing of Christians being silenced is controversial! -- The manager of the Columbus station told AFA the station would not air the program because telling the truth about homosexuality did not represent "positive Christianity." Are we moving to a time in the near future when local pastors whose services are broadcast will be banned because their sermons call the practice of homosexuality a sin? Please, forward this critical message to your family and friends today!

George Bush Sr. slips up on national TV! - Magog George boasts about all the sex he had while serving in the White House [There is an interview on the History Channel where a Ronald Reagan White House staff member (Alexander Haig?) said that Reagan lamented that his one and biggest regret was in having Bush Sr. as a part of his ticket and his administration.] (Youtube)

Comments: Read Reagan's auto-bio. He and Nancy thought the Bush's were such creeps they wouldn't allow them on the 2nd floor of the White House where the living quarters are.

Mercenaries and The Secret (CIA) Government - It aired on PBS in 1987 and is as good as anything on tape *must see (YouTube 21 min)

It aired on PBS in 1987 and is as good as anything on the tape (must see). Moyers is a very respected TV journalist who also worked for Lyndon B. Johnson and has a very professional approach. He interviews many different people involved with the CIA and other government agencies. His documentary gives quite an overview of what has actually happened in the last 50 years regarding the CIA and the cold war (including Iran, Guatemala, Cuba, Viet Nam and Chile). He features such people as Ralph McGeehee and Phil Retinger (both former CIA agents), Rear Admiral Gene La Rocque (Ret. U.S.N.), Theodore Bissell (active in the CIA at the time), Sen. Frank Church and many others. Moyers is so very credible. The full video "The Secret Government" is 90 minutes - this segment is edited by Frank Dorrel to 20 minutes.

I Wish We'd All Be Ready - A THIEF IN THE NIGHT THEME SONG (YouTube)

Opening theme (I Wish We'd All Been Ready) by Larry Norman. Classic and very popular rapture film from 1972. A nice (but unsaved) young girl named Patty gets "left behind." Starring Patty Dunning, Thom Rachford and others. It was filmed in Iowa on a low budget and I think it starred all local people. It's a little preachy, a lot of cheesy, but it's colorful and oh so 70's. A lot of us kids that were brought up in Christian homes were shown this movie and some say that it traumatized them. I would say that I felt that way for a long time but have gotten over it. I like it now and there are others that do, too. So enjoy! By the way, this film is available (I know people are gonna ask) on most online Christian DVD stores.

Too Long in the Sun (god) "Time is the Ally of Deceit" - An overview of historical events that led to the abandonment of Biblical precepts and their replacement by Traditional Christianity - WHO IS A LIAR? HE THAT DENIETH THAT JESUS IS THE CHRIST! (Set of 5 DVD's)

Today Contemporary Christianity has not only allowed truth to fall, but it has thrown truth in the street as a gesture of religious tolerance and compromise. It has given the adversaries of scripture exactly what they need to substantiate their claims that what most present as Christianity is nothing more than redefined pagan mythology. Educated theologians know that; yet they continue to present a compromised gospel filled with pagan tradition that never had anything to do with Christ. There has never been a more important time in the history of mankind for those called out as servants of our Creator to confront the philosophy and vain deceit that would lead people away from our Savior.

#1 News-Blog item of 2007 - Romney Takes on Religion Heckler "Mormons are pretenders" {This guy wasn't heckling he was standing up for the TRUTH and he has a lot to be proud of. I for one am grateful that he is not willing to allow the Mormon-LDS scams into the real Christian church and that he is willing to publically stand up for what is right, descent and honest and to openly confront the opportunist Mitt Romney with the facts.} (Video)

With all due respect, he wasn't heckling. He asked a challenging question. The Mormons are a mind controlling cult. I saw nothing wrong with what the heckler did. ... "As this debate has become more heated, the vast majority of Mormons freely admit Mormonism is not Christianity." ... It is also very commonly believed [among Mormons] that Mormons do not see Jesus Christ as anyone special, as it relates to their faith, even though the title of their Church would lead you to believe they do. ... How true, Mormons are pretenders they are not Christians!

#1 News-Blog item of 2006 - Brian Rohrbough appears on the CBS Evening News with Katie Couric - the featured Columbine father speaks against school violence, evolution and abortion (Video - Online or Download)

ROHRBOUGH: I'm saddened and shaken by the shooting at an Amish school today and last week's school murders [in Bailey, Colorado]. When my son Dan was murdered on the sidewalk at Columbine High School on April 20, 1999, I hoped that would be the last school shooting. Since that day, I tried to answer the question, "Why did this happen?" This country is in a moral freefall. For over two generations, the public school system has taught in a moral vacuum, expelling God from the school and from the government, replacing him with evolution, *where the strong kill the weak without moral consequences*. And life has no inherent value. We teach there are no absolutes, no right or wrong, and I assure you the murder of innocent children is always wrong, including by abortion. Abortion has diminished the value of children. Suicide has become an acceptable action and has further emboldened these criminals. We're seeing an epidemic increase in murder/suicide attacks on our children. Sadly, our schools are not safe. In fact, we now witness that within our schools, our children have become a target of terrorists from within the United States.

Corrected Link -- [New Ager] Michael Tsarion 2006 Seminar - The year 2012 and The Future of Mankind {At 3 hrs 16 min 45 sec, Michael Tsarion defines a "human" as someone who has become "self-aware" meaning someone who has rejected the Bible, rejected God and become their own god. Note: The events that dictated the human Holocaust and slaughter that was WWII (1939-1945) were directed against God and his people and were dictated as physical bloodline events whether they were the Nazis and their raced based purity or the Japanese and their version of race based purity (both groups were extremely anti-Jewish and anti-Christian). The events of WW3 (approx. 2001-2013?) are also directed against God and his people but with the new twist they are not as race based as the WWII belligerents were but WW3 aggression is against thought (thought police), conscience and spiritual differences. What was blood, genealogy and physical in WWII is more mental, doctrinal and spiritual in WW3.} (Google Video)

CNN guest (David Brody): Bush Bible comment shocked evangelicals - George W. Bush's recent statement that he believes the Bible is "probably not" literally true has apparently left many Christian conservatives reeling in shock - One blogger at the conservative Washington Times, commented the next morning, "I already have an e-mail from a former Bush administration official who writes 'This just completely alienated his evangelical supporters'" - Download video via RawReplay.com (Article, Video Download)

David Brody of the Christian Broadcasting Network told CNN's John Roberts on Thursday, "I think a lot of social conservative evangelicals were surprised -- probably grabbing the smelling salts as we speak." Bush made the controversial statement during a Monday interview on ABC's Nightline. When asked whether he thinks the Bible is literally true, he replied, "Probably not. No, I'm not a literalist, but I think you can learn a lot from it." One blogger

at the conservative Washington Times, commented the next morning, "I already have an e-mail from a former Bush administration official who writes, "This just completely alienated his evangelical supporters." ... Brody, who has written that Bush would "have had to go into damage control mode" after these comments if he were still running for office, said that the remarks definitely "would have been an issue" in 1999, when Bush was actively seeking the support of the religious right in his bid for the presidency. ... Some evangelicals, however, claim they were not surprised by Bush's remarks. A blog titled "The Moral Collapse Of America" pointed out after the interview that "George W. Bush's religious beliefs are not compatible with evangelical Christianity," because "Bush has openly said many times that Christians, Muslims and all other religions pray to the same God." "Evangelical Christians were conned into thinking that Bush was 'one of them,'" the Moral Collapse blogger concluded. "the reality is that he isn't one of them and he never was."

Prayer Starters: Pray without ceasing - Find Help and Encouragement to Pray - Lord Jesus, teach us to pray - May we abide in your presence today and all the days of our life!

What is Prayer? - Prayer is God's idea, part of God's plan for His people. God is calling His people unto Himself. God is calling His people everywhere to pray and seek His face, to come to know Him, to walk with Him each day, to abide in Him, so that He can abide with us and in us. God wants a personal relationship with His people. God wants us to know Him intimately. We see God at work in the world, calling us to prayer, calling us to know Him. God has promised that He will be found by us, when we seek Him with all our heart. God is everywhere and continually reveals Himself to us in every circumstance of life. God has done and continues to do everything necessary for us to know Him, but until we seek Him with all our heart, He will not be found by us. We will find satisfaction in Him, if we hunger and thirst for Him. We must desire a closer relationship with Him; we must spend time with Him, if our relationship is to grow. God wants us to grow to the point that we are one with Him--no longer two, but one. He wants us to know Him as He is. He wants us to be transformed into His likeness. He wants us to be made complete in Christ. He wants us to be of one mind with Him. He wants us to make His ways our ways, His thoughts our thoughts. Through persistent prayer, we come to know the Father, His will and His ways. Through our time with Him, we come to know the Father intimately. We experience God's presence and power in our lives as we develop a life of prayer. Lord, teach us to pray. May we abide in your presence today and all the days of our life!

New Release!!! - The Kinsey Syndrome - Working secretly in his attic, Dr. Kinsey was one of America's original pornographers - "The number of victims of childhood sexual abuse and molestation grows each year - This horrific crime is directly tied to the growth of pornography on the Internet" - Among his workers was a Nazi pedophile whose relationship to Kinsey was exposed in a German court (DVD)

This documentary shows how "The Kinsey Reports" have been used to change the laws concerning sex crimes in America, resulting in the minimal sentences so often given to rapists and pedophiles. Further explained is that the

Kinsey data laid the foundation for sex education -- training teachers, psychologists and even Catholic priests in human sexuality. What has been the consequence? And what was Kinsey's research really based upon? Working secretly in his attic, Dr. Kinsey was one of America's original pornographers. His influence inspired Hugh Hefner to launch Playboy Magazine - the "soft" approach to porn - which in time would escalate the widespread use of pornography through magazines, cable TV and the Internet. In 2006 the California Child Molestation & Sexual Abuse Attorneys reported that: "The number of victims of childhood sexual abuse and molestation grows each year. This horrific crime is directly tied to the growth of pornography on the Internet." Perhaps most disturbing, Alfred Kinsey has been accused of training pedophiles to work with stopwatches and record the responses of children being raped - all in the name of "science." Among his workers was a Nazi pedophile whose relationship to Kinsey was exposed in a German court. The information from these crimes was then recorded in "Table 34" of Kinsey's Sexual Behavior in the Human Male. How can lawmakers use such a document to define the moral parameters of our society? Why has the truth about Kinsey been suppressed for so long? And what can Americans do to make a difference?

Summer is typically "off-season" in the life of the church. As a pastor I have to adjust my expectations for Sunday mornings because I know that people are often away on vacation. Vacations are essential. I highly recommend them. But so also, in this "off-season" it feels like we've made some good progress in our mission to this community. We've launched two new teams that will add needed structure to our life together. The first is the Entry Team. This team will focus on creating a sense of welcome for people who are encountering Village for the first time. They're going to help get the word out about who we are and when a new person or family arrives, they're going to help them feel at home. The second group is the Connect Team. This team will focus on connecting those "already here."

Everything from mission trips to Miracle Ranch, to Bible Studies, to social gatherings will fall under the banner of the Connect Team. Three other teams will soon be off the ground in the fall season. Even so, we've made good progress with these two teams in the lazy days of summer.

Over the next couple of years, the T.R.U.T.H. Group took shape, joined forces with Intwined Productions, and finally got around to producing their first DVD, T.R.U.T.H. about the Dinosaurs. They actually hope that this bizarre collaboration will serve as a useful teaching tool to help bring better understanding to the complicated, hot button issues of these last days. Those who wish to learn more about God and His amazing creation would certainly do well to consider the option of consulting the one who made it all in the first place. Balanced on the cutting edge of this revolutionary idea, The T.R.U.T.H. Group seeks just that... To Reach Understanding Through Him.

TheTruthGroup.com: T.R.U.T.H. about the Bible: Why does it matter? {When God's original word the (Scrolls) Bible is rewritten and changed into modern texts like the NIV is it still the word of God, of course errors are not the word of God they are the changes and misrepresentations made by mankind. However even with the new modern translations the Original word of God is still able to shine through man's misrepresentations and save people.} (YouTube)

Look, the point is... if you don't believe what the Bible says about a 'your choice of any random' topic, then you have taken away your foundation for believing what the Bible says about salvation. So, you can't logically defend your faith by only believing PARTS of the Bible. It effectively cripples your witness.

Love One Another (10 part Mp3 series)

One of the things that tears apart Christian love and unity at alarming rates is simply our opinions. Christians come to different biblically-informed decisions about things like corporate dress, alcohol, music, school choices, birth control, investing, debt, political affiliation, Bible translations, and a whole lot more. -- This message helps you

wade through these issues and come to the understanding that there's something far more important than having to be 'right' about where you settle on these matters. What's more important is that the Gospel is transforming your heart and life to welcome other believers with the same spirit of patience, encouragement, and affection with which Christ welcomed you when you were still dead in sin.

The Rapture - You NEED To See This (YouTube)

A video I put together about the last approaching days and the scriptures prophecying what will take place. There are parts of it not meant to be taken literal. Such as the scripture about those desiring to kill themselves but will not be able to, and then right after a clip of someone jumping off the WTC buildings. That was used for image purposes. To have a visual aid sorta but by no means did I mean for that to be an example of the scripture itself. It was just to show what it will be like when those times come. But yah. Please enjoy. Comment all you want. Tell me how much you love it. Tell me how you'll be glad when God takes all the christian's out of the world. Tell me how I'm blindly believing in something that couldn't possibly be real. I accept all comments. But just know, you can say whatever you want, but it still does not prevent the inevitable. Mena Connection - Compromised: Clinton, Bush and the CIA, Drug smuggling (Google Video - Download)

Film that includes clips from mainstream media at the time, CBS etc. <http://www.ncoic.com/clinton.htm>
ARKANSAS GOVERNOR BILL CLINTON PRESIDENT GEORGE BUSH CIA DRUGS FOR GUNS CONNECTION By Paul DeRienzo An independent group of researchers in Arkansas are charging that Governor Bill Clinton is covering up an airport used by the CIA and major cocaine smugglers in a remote corner of the Ozark mountains. According to Deborah Robinson of In These Times, the Inter mountain Regional Airport in Mena, Arkansas continues to be the hub of operations for people like assassinated cocaine kingpin Barry Seal as well as government intelligence operations linked to arms and drug smuggling. In the 1980's, the Mena airport became one of the world's largest aircraft refurbishing centers, providing services to planes from many countries. Researchers claim that the largest consumers of aircraft refurbishing services are drug smugglers and intelligence agencies involved in covert activities. In fact, residents of Mena, Arkansas, have told reporters that former marine Lt. Colonel Oliver North was a frequent visitor during the 1980's. Eugene Hasenfus, a pilot who was shot down in a Contra supply plane over Nicaragua in 1986, was also seen in town renting cargo vehicles. A federal Grand Jury looking into activities at the Mena airport refused to hand down any indictments after drug running charges were made public. Deborah Robinson says that Clinton had "ignored the situation" until he began his presidential campaign." Clinton then said he would provide money for a state run investigation of the Mena airport. But according to Robinson, the promise of an investigation was never followed up by Clinton's staff. In fact, a local Arkansas state prosecutor blasted Clinton's promise of an investigation, comparing it to "spitting on a forest fire."

The Clinton Chronicles Part 1 - (Google Video)

This video clip from the film "The Clinton Chronicles" describes the Arkansas Development Finance Authority (ADFA), which was described to the public as a vehicle for creating jobs and assisting churches and schools, but in reality it was a front for laundering hundreds of millions of dollars of drug money by way of issuing loans to members of Bill Clinton's inner circle, with the loans being intended not to be paid back. The clip describes how high ranking political positions were given to members of Clinton's inner circle associated with Clinton's criminal activity, such as in the cases of Dan Lasater and Web Hubbel.

The Clinton Chronicles Part 2 - The ADFA, Cocaine Trafficking, and Murder (Google Video - Download)

Also described is an incident where two teenage boys Don Henry and Kevin Ives had been murdered for their witnessing of a drug shipment delivery in Mena, Arkansas. Eventually a total of six people involved in the investigation of their murders were murdered as well, including Keith McKaskle, who was involved in the murders and attempted to approach police with information. The Clinton appointed State Medical Examiner Fahmy Malak, who ruled the deaths of the boys an accident, refused to obey court orders for turning over the evidence for a second opinion. Malak had been kept in office for many years at the insistence of Governor Clinton and had even been given a raise, despite years of public outcry to have him removed for giving implausible rulings in homicide deaths including once ruling that James Milam, who had been decapitated, had died from natural causes.

Evidence is presented that the death of White House Deputy Counsel Vince Foster was not a suicide. Expert testimony, contradictory statements from witnesses, official bungling/corruption, the missing bullet, the missing X-rays, the missing crime scene photos, the strange, untraceable gun, the missing papers from Foster's office, plus more disturbing evidence and possible motives for his murder, are reviewed in detail.

In 1968 on his Air Force entry application Bush checked "does not volunteer" for overseas duty. {Note: there is also a claim that Bush would only get certified as a pilot in an older obsolete aircraft again assuring that Bush would not deploy overseas.}

Laura Schwartz: Bush May Cancel 2008 Elections! - Democratic strategist Laura Schwartz was filling in for Brian Kilmeade on the radio this morning (July 30, 2007) - She and Judge Andrew Napolitano discussed FISA, NSA, and the limits of authority on the executive branch {To quote others on the internet "Bush is a spent force" however the entry and the exit of a Tyrant are defiantly two critical

times. Entry (9-11-2001) because they can still blame the events on the previous group (i.e. Clintons) in charge. Exit (?) because they think they won't be around to be held accountable for anything that happens.} (YouTube)

Like George Carlin says. This country is GONE~ The WAKE UP CALL is NOW! WE may as well kiss our asses goodbye. The NEOCON Fascists have achieved their objective. All what is happening now in the Mid.East has been reported ~ (in honest objective news sources..not Murdock's Fox and those criminals) years ago. The plan was to take Iraq,Pakistan, Afghan,and Iran. Bsh=CIA=Patriot Act=Homeland security=the SS~! Our Congress has NO balls. The Speaker gave Bsh a pass~! no impeachment. we are history!

On 6-6-6 (June 06, 2006): Bush Announces Mark of The Beast System {A Bush verification system that was to solve the illegal immigration problem. Well, it's obviously NOT a system that is solving illegal immigration so just who is being tracked and monitored by yet another Bush control system? It's not illegal foreigners who are being tracked it's not even Al Qaeda that is being tracked its mostly legitimate American citizens.}

First Off, I want to apologize for the poor video quality, when I heard the Completely Corrupt Bush announcing the Mark of the Beast system, I was in a room that only had a old-school VCR and a well used tape. But the video and what Bush said was clear enough to know what time it is. How appropriate, that on 06/06/06, Bush announces the Biometric Mark of the Beast system. Now the AC Bush speaks of the Biometric IDs for foreign workers, to start with, but this is only the reason given to implement the infrastructure of the Mark. You all know that what starts with one group soon applies to all. 666 is here. Everyone, feel priviledged that you live in the last days. Prepare, GET YOUR HOUSE IN ORDER!!! STEEL YOUR SPIRIT, MIND, AND BODY. THE TIME IS AT HAND. HEED THE OMEN !!!

#1 Death, what Happens? - Sept. 30th, 2006 Bill Wiese - 23 Minutes In HELL (Mp3)

Bill Wiese, on the night of November 23, 1998 , had an out of body experience whereby the Lord showed him Hell. This was not a dream, but rather a supernatural experience that placed Bill in a prison cell with stone walls and metal bars. He was confronted and tortured by demons, had no physical strength, no rest and was surrounded by darkness. Besides physical attacks, he felt extreme heat, unquenchable thirst, heard millions of people screaming, endured intense foul odors, experienced complete utter fear and worst of all, he felt the hopelessness of being lost forever. In his testimony, Bill shares that he found himself in Hell ...

#2 Death, what Happens? - Attack Of The Killer Jellyfish - Ian McCormick - 14059.mp3 (Mp3)

Ian details his deadly encounter with a poisonous ocean jellyfish. Death with an unsaved soul is the ultimate torment of agony, therefore choose life, choose Jesus Christ and give your soul the refreshing free gift of eternal life forever.

#3 Death, what Happens? - Dying Testimonies Of Saved And Unsaved - Originally Published in 1898 (Online Book)

Solomon B. Shaw was a wise recorder of life-and-death scenes. His best-known book is "Dying Testimonies of Saved and Unsaved", originally published in 1898. In this most touching, and spiritually rewarding, book, Shaw records the dying scenes, and the last words, of both the saved and unsaved, both famous and unknown. You will see the tremendous difference between those who are Born Again and those who have refused salvation, as they approach the hour of their death. As one physician once remarked, "Christians die well". Biblical doctrines which saints of God have believed all their lives sustain them wonderfully in the hour of their death. Many believers report seeing angels coming to escort them to Heaven and the lights of that wondrous abode shining around them as they lay dying. Conversely, you will realize that many unsaved go through the agonies of Hell as they approach death, some even feeling the fires of Hell and seeing demons in the room, coming to take their spirits to the Abyss. You will also discover that the Biblical doctrine that a person cannot come to Jesus on their own, but must be drawn by the spirit -- Who gives the very desire to come to salvation -- is borne out by the testimonies of the unsaved. No one should put off the promptings of the Holy Spirit, thinking they can utter the correct words just before they die and go to Heaven. Truly, God is not mocked!

Northgate Christian Fellowship - Can You Hear Me Now? PT 1: Learning How to Pray - Audio Archives (Mp3's)

If God knows everything and already has a plan, why should we pray? The answer begins with understanding that prayer isn't about getting God to see things my way as much as my learning to see His way. This week begins a new monthly sermon series, called "Can You Hear Me Now?"

Late One Night - A great Video clip - about witnessing and hell {A big part of Christian witnessing is simply confirming that there is an opportunity to reach out and to discover that God does exist. Christians are rightly counting on God (Holy Spirit) to reach out to all people and we are also counting on people themselves to reach back to God, i.e. seeking answers, asking questions, reading the Bible, prayer, attending Church.} (GodTube)

A Letter From Hell - Download - Via RichardDawkins.net an Atheist website - Download and Comments {This is an incredible thought provoking video. I think it is an accurate depiction, how can someone end up in hell and not have regrets? As Christians how can we believe in God, Heaven and Salvation and then not tell others about it. Death, what really Happens? - Being created by God we are given the gift of everlasting life - Heaven is a real place and so is hell therefore choose wisely, choose well and most important of all choose Jesus Christ and live an eternity with meaning! (Video - Audio - Text)

Being created by God we are given the gift of everlasting life. If life were not everlasting it would not have significant meaning since eventually our life would end and our experiences of life would cease to exist. Life does not end and what is at issue is where we will spend our everlasting life. 1. In the presence of God in heaven. 2. Away from the presence of God in hell. The gift of life from God is an enormous gift and with this gift comes the enormous responsibility of selecting where we are going to spend our eternity. Heaven is a real place and so is hell therefore choose wisely, choose well and most important of all choose Jesus Christ and live a life of meaning!

onenewsnow.com: BREAKING NEWS... A GOP first -- female VP nominee - **Vote in our poll - Does the addition of Gov. Sarah Palin as VP strengthen or weaken the GOP presidential ticket?

John McCain has announced an "out-of-the-box" pick for his vice-presidential running mate: Alaska Governor Sarah Palin. [see video report] In Dayton, Ohio, the McCain campaign has confirmed that the presumptive GOP presidential nominee named Palin -- the first female governor of Alaska -- as his pick to join him on the November ticket. Palin and her husband, Todd, are the parents of five children, one of them with Down syndrome. She is a reformer and a self-styled "hockey mom." The 44-year-old governor, described by some in the media as a "religious conservative," was elected to lead Alaska in 2006 after defeating the Republican incumbent. She is strongly pro-life, opposes same-sex "marriage," and is noted for her energy policies promoting independence from big oil companies.

*A must see video!

Mercenaries and The Secret Government - It aired on PBS in 1987 and is as good as anything on tape *must see (YouTube 21 min)

It aired on PBS in 1987 and is as good as anything on the tape (must see). Moyers is a very respected TV journalist who also worked for Lyndon B. Johnson and has a very professional approach. He interviews many different people involved with the CIA and other government agencies. His documentary gives quite an overview of what has actually happened in the last 50 years regarding the CIA and the cold war (including Iran, Guatamala, Cuba, Viet Nam and Chile). He features such people as Ralph McGeehee and Phil Retinger (both former CIA agents), Rear Admiral Gene La Rocque (Ret. U.S.N.), Theodore Bissell (active in the CIA at the time), Sen. Frank Church and many others. Moyers is so very credible. The full video "The Secret Government" is 90 minutes - this segment is edited by Frank Dorrel to 20 minutes.

Bob Novak: Tried to Flee Hit & Run of Homeless Man - He claimed that he didn't even know he hit anyone and feels so bad - But a man riding his bike near the scene says that the man Novak hit ended up on his windshield and that Novak was trying to get away - The man chased Novak down on his bike and repeatedly urged him to return to the scene of the crime (News Video)

The man Novak hit is an 86-year-old homeless former Broadway Director who remains in the hospital with injuries. I hope the guy sues the HAMAS-green pants off of Novak. And this isn't the first time for Novak. He was sued in 2004 for the same thing. And he almost hit me (Debbie Schlusel), too. When I was an intern in Washington in the late '80s, Novak nearly ran me over, as he drove through a red light while I had the green light and was in the middle of crossing a street in Georgetown. At that time, he was driving a convertible Mercedes Benz. He didn't apologize or care. The guy's a scumbag.

Michelle Malkin: Democrat calls pastor's testimony b***s*** - The Rev. Robert Jones went to the (California) Capitol last Wednesday hoping to make his voice heard - Jones was invited to speak - What he got instead was a swear-word laden rebuke from Democratic Sen. Pat Wiggins {This is why America needs a strong conservative Republican Party. Democrats talk this way to American constituents and easily treat people like garbage in public because they know that the Bush-McCain Republicans have become just as ugly as the Democrats have been for a while and that no one in politics will stick up for the interest of American citizens. -- McCain would go to a thousand Democratic fund raisers with these people and sign every liberal bill he could get his hands on before he would even consider supporting one conservative cause.} (Youtube)

The Rev. Robert Jones went to the Capitol last Wednesday hoping to make his voice heard. What he got instead was a swear-word laden rebuke from Democratic Sen. Pat Wiggins, who interrupted Jones' testimony to say: "Excuse me, but I think your arguments are bull--." The exchange left Jones, the senior pastor at Oak Park United Methodist Church, stunned and offended. "It is a slap in the face," he said in an interview.

Senator Hillary Clinton Discusses Global Warming with Al Gore {The most suspect thing about this whole charade is that the politicians refuse to mention or acknowledge weather modification Projects like HAARP that are doing more to offset (droughts/floods) the balance of nature than anything else. Taxing every person, every home and every business was the entire agenda there was no agenda to lessen any real crisis.} (YouTube)

AL GORE: Global Warming Testimony {Al Gore the perfect example of a mindless-heartless politician. This is a prime example of how government (government greed) sees itself as the only option and the only alternative to whatever problem or dilemma they want to associate as the crisis of the moment. In Al Gore's world people don't exist, families don't exist only government programs exist. Ten minutes into the video and it's true Al Gore is a main source of Hot Air!} (YouTube)

March 21, 2007 - Al Gore testifies to the House Energy & Science committees. ... "....It's become borderline fascism. You can't think anything else. When it gets hotter it's global warming. Banned Bush Video - (2006) Irish TV interview with President Bush {In the video Bush repeatedly explains how safe and secure America was until 9-11-2001 and that 9-11-2001 changed everything and therefore Bush was correct to launch his "war on terror".}

This video shows interview by Irish TV which calls bush a liar and a war criminal about the WMDs and Iraq War.

Warning!! Shocking Video -- DNC: Malkin in Jeopardy - In this exclusive Pajamas TV video • Michelle Malkin is under attack by Alex Jones {Michelle Malkin speaks at the end of the Video and she is BRILLIANT as always. -- I have seen several Alex Jones DVD's and recommend

them except. 1. Alex Jones is very anti-Jewish and that always poisons his material and to an extent it is really what is behind this sad inexcusable, sickening tirade. 2. Alex Jones is knowingly misrepresenting her book and her info. 3. Alex Jones has a website, a radio show and produces DVD's he has several major outlets in order to express his views, this tantrum was not necessary. 4. Alex created an extremely ugly ambush journalism situation giving her no opportunity to speak and literally endangering her safety what he did was really a crime.}

In this exclusive Pajamas TV video • Michelle Malkin is under attack by self-described anarchists yelling •Kill Michelle Malkin• in front of the Denver Mint. (NOTE: We are providing more or less raw footage here for timeliness. The Malkin incident does not appear for several minutes; please be patient. Pajamas Media will provide a more carefully edited high definition version of this incident soon.)

Warning!! Shocking Video -- Video Exclusive: Michelle Malkin Attacked at DNC; "Kill Michelle Malkin" (The first 90 Seconds of video gives you most of the info) {Alex Jones appears to be a "Professional Race-Baiter" in this Shocking, Stupid and Inaccurate public mob inciting, diatribe. It is creepy, ugly and NWO disgusting. Whatever anyone believes about 9/11 Alex Jones is shouting at someone who had nothing to do with it. Alex Jones, others and the chief loon of them all a person named Texe Marrs are only out to create hatred especially against the Jews so do not buy into their disinformation campaigns when they attempt to blame the Jews, it is all lies and they are trying to cover-up for the real people who did 9/11. Hint: Alex Jones is from Austin Texas (Bush family Headquarters). Alex Jones has many DVD's with some good info however Jones is way off base in trying to project all the world's problems onto the Jews. You can easily tell Jones is paid in what he is doing, it's his career, in trying to incite this ugly mob violence against another person Alex Jones has gone way too far.}

Michelle Malkin was attacked by protesters and conspiracy nut Alex Jones during the "Shake Your Money Maker" event while Recreate68 attempted to levitate the Denver Mint. Another protester began shouting "Kill Michelle Malkin."

Interview with Young Atheist in NYC {Two people having a great conversation in this video. This is a very good example of 'Rational' witnessing. Some people are not rational so an 'Emotional' or 'Experiential' witness can be a good bridge to them.} (Video Download)

What Vietnam Veterans Think of John McCain - This is the "REAL" John McCain in living color seen belittling Delores Alfond, head of the National Alliance of POW/MIA whose brother went missing in action in Vietnam . . .

McCain's YouTube (Credibility) Problem Just Became a Nightmare - {The ability of the new Bush Republican Party to Lie at Every Instance is just astounding. America cannot continue to endure this amount of deceit.} (YouTube 3:14)

There's no question John McCain is getting a free ride from the mainstream press. But with the power of YouTube and the blogosphere, we can provide an accurate portrayal of the so-called Maverick. We can put the brakes on his free ride! Since we first released The Real McCain a year ago, our REAL McCain series has garnered close to 2 million views, with over 13,000 comments and tens of thousands more in petition signatures! Clearly, John McCain's record is something the public wants to discuss, and yet the corporate media is doing NOTHING to present the truth. We feel obliged to continue countering the mainstream media's love of McCain. And so we thought it was high time for a sequel: The Real McCain (Vol.) 2.

23 Minutes in Hell by Bill Wiese - 2nd Video Testimony Dec 2006 (Video Downloads)

"My sincere hope is that this book is the closest you will ever come to experiencing hell for yourself." Bill Wiese saw the searing flames of hell, felt total isolation, and experienced the putrid and rotting stench, deafening screams of agony, terrorizing demons, and finally, the strong hand of God lifting him out of the pit. "Tell them I am coming very, very soon!" Wiese's visit to the devil's lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory. Since this life-changing ordeal, he has spent the last seven years studying the Scriptures to find answers and has listed more than 150 Bible verses referencing hell. Everyone is curious about the afterlife, and now Wiese shares his insights to commonly asked questions such as: * Is hell a literal burning place? * Where is hell? * Do you have a body in hell? * Are there Degrees of punishment in hell? * Are there children in hell? * Can Demons torment people in hell? * Can "good" people go to hell? "Even if you don't believe my story, I hope you will believe the Scriptures and avoid hell just the same."

The Marks of a Cult: A Biblical Analysis - A fascinating analysis examining the core of Christian orthodoxy - where denominations within the true Church ends and a cult like (LDS) Mormonism begins {Note: Redemption is a work of God, specifically the work of the cross (death, dead to sin - this world). Once redeemed, returned to the

presence of God, salvation (healing - alive in Jesus Christ in heaven) is now a cooperative work between God (Holy Spirit) and people. The Church points the way to the cross of Jesus to redemption and the Church (fellowship) also teaches and administers the healing salvation, life in heaven. Attending a good Bible based redemption and salvation Christian Church is crucial to developing our own personal Spiritual wellbeing.} (DVD \$12.95)

"Once again, The Apologetics Group has developed a scholarly presentation addressing a vital current issue. This new production not only deals with how to identify The Marks of a Cult, but in its own right is a type of "mini-systematic theology" that will greatly benefit any individual or church group. I highly recommend it for a better understanding of cult beliefs and practice, as well as, developing your understanding of historic Christian theology." Dr. Kenneth G. Talbot - President, Whitefield Theological Seminary.

***The Marks of a Cult: Division from Historic Christianity (Salvation from God) is the Mark of a Cult {This Excellent 10 min video clip exactly explains how and why cults like the LDS take the focus off of God (Jesus) and place it on cult leaders. Removing salvation from God while pretending to place it in the hands of the cult leaders.} (Online Video)

falcon on June 18th, 2008: Excellent video. Add to it the notion to trust the leaders unquestionably and once the prophet/leader speaks the thinking is done. According to the Mormon church, can a member leave the church and still be saved? A big NO! Are the members controlled by the leaders? Totally! The elite leaders own the salvation of the little gerbil followers so they can keep these folks busy on the little religion wheel running as fast they can. And the beauty of the gerbil wheel, to the leaders, is that the little gerbil followers never get any where. So they keep trying. And if the gerbils try to break out, they're reminded that outer darkness awaits anyone who leaves. Total control through fear. This is flat out spiritual abuse with the abused blaming themselves and not the abusers. No wonder the exMos carry anger with them for years.

Crop Circles (Demon Circles) and Occultic, Masonic & Illuminati Symbols {Note: In the photos with Pope John Paul II the 'upside-down cross' on the chair is the cross of St. Peter who was crucified upside down. The crop circles are the best part of the video.} (Video 7:00)

June 17, 2008 By Debbie Schlusel - I've long been a fan of scholar Mordechai Kedar, as was my late father. Dr. Kedar, who speaks Arabic, Hebrew, and English fluently, is professor of Arabic Studies at Israel's Bar-Ilan University and has written a great deal on Islam, Syria, and Arabic history--he is an expert on all of them. I've cited his work on this site, and he is very learned on Jerusalem and its true history as the eternal Jewish capitol versus its unimportance in Islam until recently. He is also a scholar at the Begin-Sadat Center for Strategic Studies. Dr. Kedar was recently on Al-Jazeera, and I can say--without qualification--that it's the best few moments I've ever watched on the Terrorist News Network. I don't agree with his statement that "G-d-willing, there will be a Palestinian State in the West Bank." (They have a state there--it's called Jordan.) But other than that, this is a broadcasting masterpiece (thanks to reader Herb for the tip):

Can you believe this goes on at U.S. colleges? - Stunning new DVD shows universities today resemble totalitarian states - Censorship, Enforced political conformity, Hostility to diversity of opinion, Sensitivity training

Censorship. Enforced political conformity. Hostility to diversity of opinion. Sensitivity training. Though such despotic tactics are usually associated with totalitarian regimes, they increasingly describe life on America's university campuses. "When we think of going to college, we think of intellectual freedom. We imagine four years of exploring ideas through energetic, ongoing, critical thinking and debate," says filmmaker Evan Coyne Maloney in the stunning new video documentary "Indoctrinate U: Our Education, Their Politics." "But the reality is very far from the ideal. What most of us don't know is that American college students check their First Amendment rights and individual freedom at the door." Hailed by the New York Sun as one of "America's most promising" documentary filmmakers, Maloney has assembled a scorching indictment of higher education in America today, one sure to make students, parents, trustees, lawmakers and concerned citizens sit up and take notice. Produced by On the Fence Films, with the support of the Moving Picture Institute, "Indoctrinate U" makes the campus culture wars - often treated as an abstract, hopelessly partisan battle - intensely personal and unforgettably human.

The movie starts out in 1890 and Time Travels to the present day. But guess what? We have time traveled that distance as a Nation and as a people so it is not science fiction but known facts that the movie material is traveling through. The DVD should be available for rent at the local video stores and following is a link to the movie's website.

Rock and Roll Sorcerers of the New Age Revolution - The one that started it all - the original 1992 video expose - A four-hour live seminar given at Hermosa Beach California - Because of the live format - this DVD remains a favorite (DVD)

Mitzi Nelson's Testimony out of (LDS) Mormonism and Into Christianity "the arms of Jesus" - Mormonism vs. Christianity "It's all about TRUTH!" (Video 9:02)

Comments: falcon on June 30th, 2008 Thank you for sharing Mitzi's testimony here. It's encouraging to see someone do the hard work of research and study and then have the courage to walk away from what they once thought to be true. The light of the Gospel does shine and the darkness cannot overcome it. Her testimony is now about Jesus and her salvation through faith in Him. It's not about Joseph Smith. It's about Jesus.

Does Mormonism Attack Other Religious Systems? Yes! (YouTube 9:04)

Comments: I was baptized as a Mormon years ago as a child, I just have one thing to say, no threat to anyone intended. If ANY church/denomination/religion/division tells you that you will only go to heaven IF you are a member of said denomination, That's when it's time to get up & walk out. There is only 1 way to GOD, & that is through JESUS CHRIST, and no denomination can give him to anyone, he must be found inside, on your own & the decision made, on your own. Fellowship is good. Be sure they teach CHRIST.

Mormon Website - Why people leave the LDS Church, and what we (Mormons) can do about it - 'Screencast' - (Mormon)
Recommendations: Forget "true"...consider "good" what will bring you the most joy? - You can be a Mormon on your own terms at the core everyone is {This guy goes to great lengths to reveal many of the inconsistencies of Mormonism. In short after much agonizing and despite what he intends he concludes that the LDS religion has so many inconsistencies and hidden errors that indeed LDS Mormonism is deeply flawed. But his main response is that yes the LDS is a lie but it's still kind of a neat group to belong to so just pretend the lies don't exist, pay your money and stay in the LDS group as flawed as it is.}
(Mormon - audio & slides, presentation)

Recently a (LDS) stake high councilman came to me very concerned about a family that had just decided to leave the (LDS) church, and have their names removed from the records. He and his wife were desperate to know how to counsel this family-one of the best and brightest in their stake. To help, I came up with this screencast. The basic premises are-1) you can't help them if you don't know what they're going through, and 2) you can't help them by making them a "project". For those of you with loved ones who have left or are leaving, I would love you to watch/listen to this and let me know what you think. For those of you who are struggling, or have left, I would love

to know if you or your family/friends would find this useful, in helping people understand and deal with your situation better. Please let me know. This is only in draft form, and I could really use your feedback.

Mormon (LDS) harassment and persecution of non-Mormons - LDS doesn't want people to come to their church - 1 of 2 (Youtube)

The LDS church apostle Thomas S. Monson said that he welcomed jack-mormons, ex-mormons, questioning mormons and inactive members of the church back.. that is not what the rest of LDS want..

Mormon (LDS) harassment and persecution of non-Mormons - LDS doesn't want people to come to their church - 2 of 2 (Youtube)

The LDS (cult) church treats people otherwise that don't conform so easily to the standards of the church good. They treat them bad. The LDS church is not christ like. ... Comments: I am a Mormon who has just left the church and he has not fabricated anything, sadly. There is no exceptance in the church. I had a friend that was struggling to get her gambling under control and was told that she was not worthy. There is no room in their religion for a recovering compulsive gambler...which by the way she did not have to be honest about but she was trying to get counsel from the Bishop for. Lets not even mention the whole Joseph Smith story, [it] is more like a Harry Potter story.

IRAN in WWII - Pan Aryan Alliance - In 1935 the Hitler Nazi government declared the nation of "Persia" to be an Aryan Brotherhood renaming it Iran (Aryan) and in 1936 exempted it from the 1935 Nurnberg Laws of racial purity {Ever wonder why with Iran at times being really the one true enemy of America that the politicians repeatedly give Iran a free pass and instead attack other nations like Iraq, Pakistan and Afghanistan. Iran and particularly the radical Shiites of Iran are the

'end game' the final Bush NWO tool in their goal to bringing about WW3 destruction. The Shiites of Iran will likely be the modern Nazis of WW3 and will have been nurtured and brought into global power by the Nazi, Satanic Bush NWO agenda.} (YouTube)

Comments: Read Wikipedia and find ARYAN please.....Darius the Great, King of Persia (521--486 BC), in an inscription in Naqsh-e Rostam (near Shiraz in present-day Iran), proclaims: "I am Darius the great King... A Persian, son of a Persian, an Aryan, having Aryan lineage...", This is a very old documents on Iranians are Aryan.

Iran and Germany brotherhood 2004 (YouTube)

Comments: As an Iranian I say respect for all nations regardless of their past, to an Iranian you are a human first and anything else. But I must say Aryan correctly refers to "one who is Nobel" it is driven from old Iranian, and the swastika symbol is an ancient Iranian symbol but with no affiliation to Hitler's political agenda.

Nazis: The Occult Conspiracy Part 1 (Google Video - Download)

Nazis-the occult conspiracy is a documentary about how the Hitler and the Nazis made use of occultism (attempting) to win the war, and to remind the Germans that they were the best humans on the planet, the master-race. There are better documentaries around, but this is a solid documentary. There are many rare pictures from Nazi-Germany to be seen here, and you get to learn more about the religious beliefs of nazi-leaders like: Hitler, Goebbles, Goering, Hess and Himmler. I can't advice people enough to watch documentaries about Nazi-Germany, because they show how crazy and evil humans can be.

Nazi Concentration Camps (Nuremberg Trial Film) - {Graphic Content} (Google Video - Download)

The file entitled "Nazi Concentration Camps" was entered as evidence at the 1945 Nuremberg Trials of Hermann Göring, Rudolf Hess, and 22 other Nazi officials at the end of World War II. It presented a stark picture of the atrocities of the Holocaust and ensured that no one would ever doubt the meaning of the charge "crimes against humanity."

GoodFight.org: Abide or Burn CD Series (\$17.00) - In this teaching series, the deception of the "Once Saved Always Saved" doctrine and its teachers are exposed in the light of Scripture -- 2 Peter 2:20-21 For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning. For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the Holy Commandment (love Jesus, love your neighbor, do good) delivered unto them. -- Holy Bible {Basic Christian just compiled a major study of the WWII Holocaust and a big surprise in the study is just how many Nazi Holocaust participants were at one time 'Saved' Christians yet they turned from Jesus and then became mass murders on a scale previously unknown to the world. Those "once saved" Nazis abandoned their heavenly home and purchased for themselves an eternal torment in the very pit of hell. This is a caution to all of us to reject the convenient ways of this world and to be prepared even to suffer persecution for our eternal welfare.}

In this teaching series, the deception of the "Once Saved Always Saved" doctrine and its teachers are exposed in the light of Scripture. With over seven hours of teaching, this series will give its listeners a clear, Biblical understanding of abiding in Christ.

The Great Pyramid-Lost Legend of Enoch - The Great Pyramid Trilogy (DVD's)

The most astonishing mystery that has long been hidden under the shroud of ancient mythology, legend, and outright historical distortions finally comes into the light of day in this astonishing and monumental 1hr and 4 minute (made for T.V. 54 minutes) extravaganza. The film presents the real story, in dramatic conflict, into the real forces behind the building of the Great Pyramid of Giza. While the general historical consensus and traditional view holds to the belief that the pyramid was built by the pharaoh Khufu, The Pillar of Enoch unequivocally proves that the Great Pyramid was far to sophisticated and complex for people of that day to have designed, and was far beyond the knowledge of mortals. With graphic CG displays, historical over laments, and on site exposition, the film proves that the confluence of architectural, astronomical, mathematical and cosmological knowledge had to have come down via a supernatural intelligence and source. The Great Pyramid-Lost Legend of Enoch, while provocative and compelling is not over the top with wide eyed beyond belief speculation, but is highly entertaining and entreatable. In a carefully crafted and documented style it rips off the veil that has covered over the truth for thousands of years. It's not only the long hidden emerging truth the film presents, but also the explosive spiritual life changing power that makes this more than just a documentary.

China Soul - Documentary Film "The Cross - Jesus in China" FREE Movie Download or DVD Purchase (4 Parts - 4 Hr.)

In China, the story of the "Cross" once seemed as strange and far away as the other side of the universe. But today its message is here, right in our midst. 1900 during the Boxer Rebellion, 188 western missionaries, and 20,000 Chinese Christians were killed. In the following fifty years, more western missionaries came to China. They established 13 universities, over 6,000 elementary schools and high schools, and more than 900 hospitals. The number of Chinese Christians grew to 700,000. The Chinese Communist Party believed this success was the result of imperialist cultural invasion. They expelled all western missionaries, forced Chinese missionaries to renounce their religion, and mandated a secular education for all Chinese. Fifty more years have passed and today there are approximately 70 million Christians in China, an increase of 100 fold!

antithesis between Christianity and false religions. As most of you know, Vision Forum is designed to further these fundamental truths and to engage the enemy at each point in the cultural battle for the heart and soul of the Christian family.

Must-See Video: The BEST Al-Jazeera Clip I've EVER Seen! {The Al-Jazeera reviewer tried to pretend that Jerusalem has always been important to Islam and is written in the Quran when Jerusalem is not mentioned once. This is why Shiite Islam has such a credibility problem.}

June 17, 2008 By Debbie Schlusel - I've long been a fan of scholar Mordechai Kedar, as was my late father. Dr. Kedar, who speaks Arabic, Hebrew, and English fluently, is professor of Arabic Studies at Israel's Bar-Ilan University and has written a great deal on Islam, Syria, and Arabic history--he is an expert on all of them. I've cited his work on this site, and he is very learned on Jerusalem and its true history as the eternal Jewish capitol versus its unimportance in Islam until recently. He is also a scholar at the Begin-Sadat Center for Strategic Studies. Dr. Kedar was recently on Al-Jazeera, and I can say--without qualification--that it's the best few moments I've ever watched on the Terrorist News Network. I don't agree with his statement that "G-d-willing, there will be a Palestinian State in the West Bank." (They have a state there--it's called Jordan.) But other than that, this is a broadcasting masterpiece (thanks to reader Herb for the tip):

RATE: Thousands not Billions - Errors in the Current Scientific Dating Methods (DVD)

One of the leading frauds foisted upon the general public is the notion that modern scientific dating techniques confirm a billion-year-old earth. Despite the fact that even pro-evolutionist scientists in fields of dating technology admit the tremendous inadequacies of their procedures, such concerns must be suppressed by academic elites to prevent the evolutionist's house of cards from collapsing. Now, top scientists and Ph.D.s from diverse disciplines come together as part of "The Rate Project" to expose the fraud and present new and groundbreaking evidence for a relatively young earth. Visually powerful. 60 mins.

(RATE) Strikes at the Heart of Evolution

Billions of years of time, one of the bedrocks of evolutionary thinking, is once again being called into question. This time it will be challenged by a team of scientists from (or associated with) the Institute for Creation Research (ICR), which has spent the last eight years conducting original research on dating methods and the age of the earth. Known as the RATE team (Radioisotope and the Age of The Earth), these scientists have discovered significant scientific evidence which contradicts the "old earth" model and supports a young earth--as one would expect from a plain reading of the Bible.

What is the godly legacy of the fathers of World War II? Their story has not been told - until now! More than 406,000 American soldiers died during the Second World War, leaving an estimated 183,000 children fatherless. Through wartime letters and present-day pilgrimages to the bloody battlefields of their youth, the ancient warriors have spoken. Their thankful children rise to honor and surpass their legacy. June 10, 2008: McCain: 'I will veto every single beer' {Well McCain has the slip of the tongue brains of Bush Jr. McCain would be a 3rd Bush term with no real plans for America. McCain's second wife Cindy chairs her deceased father's (Jim Hensley) business it is the 3rd largest Anheuser-Busch beer distributor in America so McCain likely has beer on his mind.} (Video)

He'll veto every single beer? In a slip of the tongue while railing against excessive earmarks at the National Small Business Summit in Washington, the presumptive Republican presidential nominee inadvertently pledged to veto the popular alcoholic beverage. I will use the veto as needed. I will veto every single beer - bill with earmarks," he said, as rumblings from the crowd could be heard. "And every single bill that we have come across my desk I will make them famous. I will veto them, you will know their names." ... Aside from vetoing beer, it's kind of disturbing to hear him say that he'll veto every bill with earmarks. Sometimes earmarks are good things! Imagine if the Rep. from Minneapolis/St Paul had earmarked some \$\$ for bridge reconstruction! Of course some of them are outrageous Alaska, I'm looking at you but not all. I'm just sayin'!

It is a story that raises foundational questions regarding faith and finances. Also included are two special documentaries on Müller and some of the lives affected by his work.

Just released! "Late Great USA" DVD, a companion to the best-selling Jerome Corsi book! - The North American Union would not just be the end of America as we know it, but the beginning of an EU-like nightmare - a bureaucratic coup d'etat foisted upon millions of American citizens without their knowledge or consent (DVD)

In 2005, during a meeting in Waco, Texas, the leaders of the United States, Mexico and Canada announced the

establishment of the innocuous-sounding •Security and Prosperity Partnership of North America,• an announcement that was never submitted to Congress. Why? In this video, WND author Jerome Corsi offers convincing evidence the Security and Prosperity Partnership is laying the groundwork for the unthinkable - a merger of the U.S., Mexico and Canada into a European Union-type •North American Union,• complete with a shared judiciary, open borders and a new currency designed to replace the dollar - the amero. In his New York Times bestseller "The Late Great USA: The Coming Merger with Mexico and Canada," Corsi showed how a bureaucratically entrenched army of •world citizens• is working tirelessly toward this EU-like merger. In the brave new world they envision, the U.S. will no longer be a sovereign nation, but a market designed for maximum economic exploitation by multinational corporations and foreign governments, regardless what American citizens want.

Event: The God Delusion Debate - Richard Dawkins will debate his Oxford University colleague Dr. John Lennox - CDs and DVDs of this event will also be available for purchase in the coming weeks

Remaining true to our goal of engaging secular culture on critical issues in a thoughtful, respectful manner, Fixed Point Foundation will sponsor a debate on what is arguably the most critical question of our time: the existence of God. The decision one makes regarding this question has implications that reverberate throughout eternity to be sure, but it also affects temporal existence from government policy to the individual. Historically, man's belief in the transcendent has served as a restraint on his conduct and provided hope for his future. Now, it is argued, "God is dead", and man can do very well without him. The debate will feature Professor Richard Dawkins, Fellow of the Royal Society and Charles Simonyi Chair for the Public Understanding of Science at Oxford University and Dr. John Lennox (MA, MA, Ph.D., D.Phil., D.Sc.), Reader in Mathematics and Fellow in Mathematics and Philosophy of Science, Green College, University of Oxford. Dawkins, voted by Europe's Prospect Magazine as one of the world's most important intellectuals, is regarded by many as the spokesman for the "New Atheism." BBC has labeled him "Darwin's Rottweiler." ... Lennox, a popular Christian apologist and scientist, travels widely speaking on the interface between science and religion. Like Dawkins, he has dedicated his career to science, but he has arrived at very different conclusions. "It is the very nature of science that leads me to belief in God," he says. Lennox possesses doctorates from Oxford, Cambridge, and the University of Wales. He has written a response to the notion that Science has exposed the Bible as obscurantist in a book titled God's Undertaker: Has Science Buried God? The book will be published this fall.

Who Killed Jesus? - He was wounded for our transgressions, He was bruised for our iniquities: - and the LORD hath laid on Him the iniquity of us all (Flash)

Surely He hath borne our griefs, and carried our sorrows: yet we did esteem Him stricken, smitten of God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed. All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on Him the iniquity of us all. Isaiah 53:4-6
